GOSSIP OF THE TURF.

The loss to this year's races of such good handicap and cup candidates as Banastar, The Parader, Ballyhoo Bey, Conroy and Commando, horses it was hoped and expected last fall might train again, is to be regretted. The passing of a good horse, whether to the stud or to foreign parts, is always a serious matter. But the failure of the ones trained to respond to the trumpet call will not as seriously cripple the older division as the failure of Ethel-

bert, Kinley Mack, Imp, McMeekin, Star Bright and Standing did last year.

The Eothen and Islington stallions, the Wagner mare and the Fonso, Aintree and Candelmas colts were the only first class animals in the country last spring. The casualties which put them out of business robbed the handicaps of their only brilliant material and delivered the good handicaps and cup races over to a lot of overnight handicap horses like Ten Candles, Alcedo, Maid of Harlem, Herbert, Water Cure, Teddy and Advance Guard and to the first class three-year-olds.

This year we have Water Color, Blues, Roehampton, Gold Heels, Dublin, Garry Hermann, Bonni- bert, Hernando, Silverdale, Dr. Barlow, Irritable and several other star four-year-olds to fall back on. Some of them may break down when put to stiff work, but as most of them appear to be healthy and sound it is not likely that a large enough number may go to the "bow-wows" to cause any such scarcity as we had last year.

The existence of this powerful reserve is traceable to a variety of causes. Some of the horses are available because they were ill the year before last and last year, some because of lameness, some because of accident and some because the metropolitan associations awoke a couple of seasons back to the necessity of making it worth an American's while to own something besides two-year-olds and instituted a continuous string of first class weight for age races over a distance of ground—Daily America.

Owners now at New Orleans will ship their horses to the following points early next week:

To Benning—A. H. & D. H. Morris, A. C. McCafferty, J. Pangle, R. J. Hutchinson, W. D. McGrath, F. Reagan, W. C. Daly, W. H. Karkick, T. E. Mannix & Co., J. J. MacKessy, H. Corwin, E. Reynolds, M. Skiles, L. J. Fulmer, E. Whalen, M. Goldblatt.

To Memphis—S. S. Tracey, J. J. Marklein, T. Carey, Liger & Brown, W. T. Baldwin, H. T. Griffin, H. Robinson, J. D. Dearing & Bro., Daniels Bros., J. Robertson, R. E. Watkins, P. Chinn, H. Colston, R. M. Westerfield, C. K. Burdeau, T. J. McHale, C. A. Johnson & Co., G. Gill, M. Van Praag & Co., J. Arthur, Mrs. J. B. Brannon, Fizer & Co., U. Z. DeArman, J. Combs, A. Simons.

To Chicago—W. Griffin, V. Hughes, T. Licalzi, J. Clerico, W. M. Sloan, E. R. Rodgers, C. Mulhol- land, J. J. Murray, M. Foster, C. De Witt, S. Mor- ton, D. Lamasney, Bolich & Sweet, R. Resley, A. Bartley, A. McLaughlin, J. Irons, J. O. Keene, Mrs. M. Abadie, R. Smith, F. Gardner, A. Bettor, W. L. Hazelip.

To St. Louis—R. N. Vestal, T. A. Gay & Co., C. E. Rowe, W. S. Laird, F. Gering, C. Dillings, H. Newman, M. S. Hughes.

To Nashville—A. Bellevue, W. Weir.

Steeplechase Jockey Dayton has returned to this country from England, where he has been spending the winter. He did not, according to reports, make an engagement to ride for an English owner. He has been exercising horses, however, all winter, and claims that only the feeling against the touts and grafters that infect every racing stable that engages an American jockey kept him from securing a good contract with George Edwards. These people have been the principal cause of the ill feeling toward Americans. Charlie Ballard, whom some one endeavored to implicate in the Dick Burge affair, was able to prove his innocence to the entire satisfaction of the authorities. Dayton will probably train a small stable for the coming season.

The City Council of Atlanta, Ga., has refused to permit pool selling at Piedmont Park. Joe Ullman and A. E. Wall recently took a five years' lease on the track for a winter running meeting, conditional upon bookmaking being allowed.

John H. Carr and jockey Otto Wonderly have returned to New York from Hot Springs, where they spent the winter season.

Winner—Ch. f. by Anchorite or Salvator—Sardonyx.
Went to post at 2:15. At post 12 minutes. Start very straggling. Won in a canter; second driving. Yrsula, running in front unextended, steadily widened the winning lead she obtained at the start and won easily up. Flitting got away badly and finished fast, making a promising debut at this meeting. Knockings was unruly and went wide on the stretch turn. Baltest did his best and is quite ordinary. Robert Bonner II. showed plenty of speed. El Pilar, from a very bad start, made up a half dozen lengths on the leaders. George Whitney is a fine looker and was practically left. Meteoro was a contender for a place up to the last fifty yards and was then eased up. Axminster is a good looker and highly tried. He was backed for a good thing, but was badly kicked while at the post.

Yrsula, show, 3 to 5. Flitting, show, 6 to 1. Knockings, show, 3 to 1. George Whitney, show, 4 to 5.

Winner—Blk. f. by Midlothian—Twinkle.
Went to post at 2:50. At post 7 minutes. Start fair. Won easily; second driving. Nigrette, off flat-footed, gained fast on the leaders in spite of a wide stretch turn and had the race won a furlong out. She is game and a stayer. Escarola, off badly, finished with a rush after being considerably impeded in the stretch. Tom Mitchell was lucky throughout. Clarinette and Guida both quit badly in the final drive.

Nigrette, show, out. Escarola, show, 7 to 5. Tom Mitchell, show, 4 to 5. Guida, show, 1 to 4.

Winner—Ch. g. by Drum Major—Bravura.
Went to post at 3:15. At post 4 minutes. Start good. Won easily; second driving. Lento, a good looker but a slow beginner, was rated under whip throughout and, responding gamely, won going away. Harry Thatcher was luckily placed and got up in the last stride and beat the badly ridden Windward. The latter got away poorly and covered much unnecessary ground in racing on the extreme outside and was easily second best. Rasp failed to stay after seeming the apparent winner when a quarter out and high. He has worked fast and favors a route. Mistleton was short and looked big on the pacemakers. Straggler went a good six furlongs.

Overweights—Mistleton, 1 pound.
Lento, show, 1 to 3. Harry Thatcher, show, 3 to 1. Windward, show, 24 to 1.

*Ran as Snowberry.
Winner—B. f. by Bramble—Meriden.
Went to post at 3:45. At post 5 minutes. Start good. Won in a canter; second handily. Rubus, on which Conley rode a confident looking race, moved to the front with great ease on the stretch turn and won easily up. Rubino was poorly handled and messed about in the stretch, but came strongly at Mildred Schultz had but little chance with her incapable jockey and was a good horse in the race. Lemuel and Larry Wilt came fast at the end. The others are in poor form.

Rubus, show, 1 to 5. Rubino, show, 3 to 2. E. M. Brattain, show, even.

Winner—B. m. by Meddler—Little Lady II.

Went to post at 4:01. At post 1 minute. Start good. Won easily; second driving. Lady Meddlesome made the running throughout under mild pressure and won going away. Limelight's improvement is evidently genuine and he was a prominent contender all the way. Grand Schem tired right at the end when apparently secure of second place. El Mido's trailing behind the slow pace was disastrous and he was easing up at the end, but is very good. Hungarian is generally unable to stay on a fast track. Essence went well for only six furlongs. Constable went badly in both the betting and race.

Winner—Ch. h. by Inverness—Missoula.

Went to post at 4:26. At post 4 minutes. Start good. Won handily; second the same. Mallakwa ran a good race, was lucky and vigorously ridden. Skip Me was also well handled and finished fast. Fondo just saved third place from the fast coming Loving Cup which got away badly, raced wide around the turn and should have won easily. Bonitary also closed a tremendous gap. Pupil, when having a winning chance, was crowded in the stretch by the winner and ran in improved form. Lief Prince was going strongly at the end. Valenciennne, which had worked very fast, was crossed at the start and ran badly. Canderos ran a fast half, but quit badly in the stretch.

Scratched—31067 The Fiddler, 101.

Overweights—Fondo, 4 pounds.

Went to post at 5:28. At post 6 minutes. Start good. Won easily; second driving. Homage liked the going, showed the most speed and was never bothered. Joe Doughty began slowly and made up a lot of ground and outgamed Socapa when it came to a drive. The latter came very wide at the stretch turn.

Scratched—31058 Little Lois, 85.

Homage, show, out. Joe Doughty, show, 1 to 2. Socapa, show, 4 to 5. Woodstick, show, 1 to 2.

NOTES OF THE TURF.

Paul Egbert has sold the crack three-year-old Paul Croyton, by Quicklime, to H. M. Zeigler of Cincinnati. The colt started in twenty-two races last season, getting money in fifteen races, scoring seven firsts, seven seconds and one third.

The Paris paper Le Jockey, of last Wednesday, says the committee of the Jockey Club has suspended W. B. Buchanan, the American jockey, for one month, for disobedience of the orders of the starter at Maison Lafitte.

The track at Latonia has dried out splendidly and when Superintendent Webb gets the mules and the harrow to work good and strong it will be in first-class shape for some good work along about Saturday.

Jockey Redfern will have the mount on Barouche in the Montgomery Handicap. Charles Mahone, trainer and part owner, is quite enthusiastic over the chances of the filly for the big Memphis stake.

Trainer Spier, of the Baldwin stable, will ship Cruzados, his American Derby candidate, to Chicago some time next month.

Handspring LIMITED TO THIRTY APPROVED MARES. (PROPERTY OF P. J. DWYER). \$100

Handspring won the Great Trial, Tremont, Double Event (both renewals) Foam, Billow, Withers and Carlton Stakes, Brooklyn Derby, etc. Chestnut horse, standing 16.1 hands high. By Hanover—My Favorite, three of which, Merriment, Meditation and Major Daingerfield, are high class winners, and one of his other starters, which only twice raced, ran second in one of his starts in company of state class. Handspring's breeding must be considered extra fashionable and up-to-date, being by the great Hanover and out of a daughter of the grand imp. Rayon d'Or, who won on the turf no less than \$122,140 and showing wonderful ability to go any distance and to carry any sort of weight. Handspring's second dam was by the successful sire imp. Glen Athol, a son of Blair Athol, winner of the Derby and St. Leger, and he out of Blink Bonny, by Melbourne, and she won both the Derby and Oaks, and grandson of both Pocahontas and Queen Mary and sire of the Derby and St. Leger winner Silvio, and the great Prince Charlie, probably the fastest horse that ever ran in England. Handspring's next dam is by none other than the great and only Glencoe. Going back to Rayon d'Or we find him out of a mare by the son of the immortal Touchstone, the foundation stone of nearly all perfect pedigrees, and her second dam was old Pocahontas herself, by imp. Glencoe. Thus combining several times over the wonderful Glencoe blood. Any breeder stunting a good mare to Handspring has a chance to produce the greatest horse that ever lived, and his stud fee is certainly a very low one, taking everything into consideration.

Rainbow \$50

Brown horse, 16.3 hands high, foaled 1890, by Longfellow, dam Buff and Blue, by War Dance. Rainbow won the Brooklyn Derby and many other races, in which he defeated the best horses in training, and during his three-year-old form worked a mile and a half trial in 2:36 over the Coney Island track. Rainbow's dam, Buff and Blue, is by War Dance, one of the best of Lexington's sons, out of the famous old matron, Reel, by imp. Glencoe. Buff and Blue also produced Bright Phoebus (winner of the Realization Stakes), Monica Hardy, Sister Geneva (dam of Carnero), and other winners. His second dam, Balloon, was one of the greatest long distance race mares ever seen in this country and produced the famous brood mare Ballet. Rainbow is one of the finest thoroughbred stallions in America and sold for \$8,200 as a yearling. Rainbow made his first season in the stud at Melbourne in 1900, but he was stunted to a few mares before that and from those services he has had seven starters, every one of which has been returned a winner, including the three high class performers Menace, who won eighteen races, a greater number than any other three-year-old filly in training in 1901; Wealth, a three-year-old filly, who in her first and maiden start forced the noted Futurity winner Ogden, then an older horse, to run a mile under 1:40 to beat her a head, and Percy F., a several times stake winner. For 1902 Rainbow is limited to thirty mares, of which twenty will be his owner's.

St. Julien LIMITED TO THIRTY MARES. \$50

Own brother to the stake winners and successful sires Prince of Monaco and St. Carlo. Chestnut horse 16 hands high, foaled 1891, by imp. St. Blaise—Carina by Kingfisher. St. Julien was a stake winner and raced with success as a two and three-year-old, winning The Larchmont Stakes, 3-4 in 1:12, and other races, and was beaten a head by John Cooper in the Vreeland Handicap, 7-8 in 1:28. St. Julien was only stunted to a very few mares previous to going regularly in the stud at Melbourne in 1901, yet he has sired the flying Myrtle Dell, who made a track record as a two-year-old in 1901, Sard Seething, St. Dean, Kabylo, Princess Julien, Blonde Grayson, etc. Mr. Barnes thinks St. Julien fully the equal of his full brothers, St. Carlo and Prince of Monaco. He is a sure foal getter, having twenty-eight mares in foal from a service of thirty-three last year. He is also a grand breeder of individuality and as fine a tempered horse as there is in Kentucky.

Jim Gore Private

By Hindoo, dam Katie by imp. Phaeton. Sire of Beau Gallant, The Goldfinder, Amelia May, Beau Ideal, Monereith, Gorman, Knowles, Donna Seay, and many other stake winners and great campaigners.

Prince of Monaco Private

By imp. St. Blaise, dam Carina, by Kingfisher. Sire of Fancywood, Blennenworth, Monarka, Precursor, Autumn Leaves, Sting, Kilmantle, who won twice and was placed four other times out of seven starts in England in 1901, Colbert, and many other winners.

The Melbourne Stud now consists of five stallions and 108 of as finely bred young matrons as can be found on any single breeding farm in this country. The mares are now kept on eight different farms and the yearlings on four different farms—far apart and yet within a few miles of Melbourne, for it is my fixed opinion that strictly high-class race horses can be bred with more success if kept apart in small lots rather than banded together in large numbers.

Mares kept in box stalls, well bedded down, the charges will be \$10 per month, when running on grass \$5, which must be considered a very low price, considering the established reputation the Melbourne Stud has for the care of its stallions, mares and all thoroughbred stock. It is a practice at the Melbourne Stud to try the mares three times a week until the first of June, and after that time every day until the season closes, July 1st, which is a guarantee that every mare will be got in foal, if care and attention will accomplish this end.

Usual return privilege, if horse is alive and in my possession.
